## EMPLOYMENT

**24,000** steps were walked by our Corby customers during a **community litter pick**, making our outside space a better place to be and increasing our stamina and fitness!!

This month we supported our British Legion, selling poppies. Members of the public wear the paper poppy on their chest as a symbol of Remembrance: to remember the fallen Service men and women killed in conflict.

**15,000** cans crushed this month, **supporting our local recycling initiatives** and ensuring we contribute to our sustainable environmental future.

Reduce-Reuse-Recycle

Supported at Phoenix Resource Centre adding 8600 handles to equipment ready for sale and use!

**Volunteered at Towcester Country Market** – we are becoming part of the furniture there, serving teas and coffees and talking to the people who visit.

We also sell our homemade jams and chutneys there, which are selling almost as quickly as we can make them!!

Please come and see us on a Thursday if you are in the local area!!

Continued our amazing **gardening and horticulture work** at Abington Park and Delapre Abbey achieving

## Gold Britain in Bloom Awards 2017

Our customers and staff have worked so hard creating and maintaining beautiful gardens for the public to enjoy as well as growing, harvesting and selling our own produce.

## Completed training in Health & Safety and Independent Travel.

This keeps us safe in our places of work and helps us to access services, activities and employment opportunities independently, meaning we are not restricted in where we go and how we spend our leisure time.
